at the Marriage Registrar, Tirumala vide Marriage No. 470/2021 under the Hindu Marriage Act, 1955. Out of the wed-lock, one child namely Kashika. J. was born to them. Due to various differences and temperamental incompatibility between them, the petitioners were separated and living separately from 24.11.2022 onwards. The efforts taken by the relatives to continue the marital relationship have failed. There is no possibility to live together as husband and wife in future. The matrimonial life has resulted in failure and there is no possibility of reunion. Both parties have filed petition together mutually agreeing that the marriage should be dissolved.

Both the petitioners agreed that the 1st petitioner withdraw the O.P.No.2501/2023 and they have no claim between them at present and will not have any claim or right in future. The petitioners do not possess any of the belongings of each other and they have exchanged all articles between each other. The petitioners waived all rights towards claim on properties and assets belonging to them and their families. The 2nd petitioner/ mother shall be appointed as the natural guardian of the child and she will be granted permanent custody of the child. The 1st petitioner shall undertook and take care of all the maintenance and education expenses of the child voluntarily. The 1st petitioner shall be granted visitation rights to their child as per the convenience of the petitioners and in the best interests of their child. Both the petitioners undertook not to file any complaints/suit/petition in future against each other and their family members and friends before any authority. There will be no future

litigation either in the nature of civil or criminal against each other or the respective family members. The petitioners have settled all their claims and counterclaims. The petitioners have relinquished all their rights for maintenance between them. They have also waived rights to their claim of maintenance and permanent alimony against each other for past, present and future. They have exchanged all articles and valuables between them and there will be no other mutual claim between them in future. Accordingly, the petitioners have decided to get separated by mutual consent. The consent for mutual divorce has not been obtained by means of threat or coercion or force. Hence this petition is filed seeking divorce by mutual consent.

3. The petitioners were examined as PW.1 and PW.2 and Ex.P.1 to Ex.P6 were marked.

4. Point for consideration :-

Whether the petitioners are entitled for divorce by mutual consent ?

5. Answer for Point :

This petition was presented in this court on 19.06.2026 under 13-B of Hindu Marriage Act. The petition was adjourned to 21.12.2026 enabling the petitioners to undergo 6 months statutory waiting period as it is required under law.

6. In the meantime, both the petitioners appeared before this court on 24.07.2026 along with the petition to advance the hearing as well as the waiver petition. The petition to advance the hearing from 21.12.2026 to

24.07.2026 was allowed on 24.07.2026 and the case was taken up for hearing and the 1st petitioner filed O.P.No.2501/2023 and the same was withdrawn based on compromise arrived between them. But the settlement could not be arrived

between the parties in respect of reunion. Hence, following the principles laid down by the Hon'ble Supreme Court of India in Amar Deep Singh Vs. Harveen Kaur, this Court was inclined to allow the waiver petition and the rest of waiting period out of six months was also waived off. The petitioners have consented for divorce and reiterated their stand for divorce.

7. In support of their second motion the 1st and 2nd petitioners were examined as PW1 and PW2 respectively and Ex.P.1 to Ex.P.6 were marked. The petition is for divorce by mutual consent. The statutory waiting period has been observed. The parties reiterated their stand for divorce on their own volition.

8. As per the averments in the petition and evidences of the petitioners, they contend that they have no claim between them at present and will not have any claim or right in future. The petitioners do not possess any of the belongings of each other and they have exchanged all articles between each other. The petitioners waived all rights towards claim on properties and assets belonging to them and their families. The 2nd petitioner/ mother shall be appointed as the natural guardian of the child and she will be granted permanent custody of the child. The 1st petitioner shall undertake and take care of all the maintenance and education expenses of the child voluntarily. The 1st petitioner

shall be granted visitation rights to their child as per the convenience of the petitioners and in the best interests of their child. Both the petitioners undertook not to file any complaints/ suit/petition in future against each other and their family members and friends before any authority. There will be no future litigation either in the nature of civil or criminal against each other or their respective family members. The petitioners have settled all their claims, counterclaims. The petitioners have relinquished all their rights for maintenance between them. They have also waived rights to their claim of maintenance and permanent alimony against each other for past, present and future. They have exchanged all articles and valuables between them and there will be no other mutual claim between them in future.

9. The petitioners have settled their issues amicably which is evident from the pleadings and the evidence of the petitioners. There is no meeting of minds between the parties and there is no scope for reunion. Hence this court arrives at a conclusion that the grant of divorce by mutual consent would meet the ends of justice and this point is answered accordingly.

In the result, this petition is allowed and the marriage between the petitioners solemnized on 20.08.2021 at Gubba Thirumana Mandapam, No.2, Near SV Museum, Ring Road, Tirumala, Tirupati, Andhra Pradesh and registered on 20.08.2021 at the Marriage Registrar, Tirumala vide Marriage No. 470/2021 under the Hindu Marriage Act, 1955 is dissolved by
